

# Problem Set 8

April 19, 2022

Homework is due the midnight on April 27. There will be absolutely no late assignments accepted, so that we have time to submit final grades.

If you haven't yet presented a homework in class, email me to setup eith an in-class presentation or a presentation outside of class.

## **Problem 1**

Awodey Chapter 10, Exercise 4

.....

## **Problem 2**

Awodey Chapter 10, Exercise 8 (read the chapter for the definition of an algebra of a monad).

.....
